

Talk OF THE Town

A Message From The Mayor

I said in my first "Message from the Mayor" that following the lifting of Covid restrictions I expected to have a busy year and so it has proved to be: -

In July the Societies Spectacular in the town was a wonderful display of all the various clubs, societies and groups that people can join, in and around the town. I joined local residents at the Luncheon Club to wish farewell to Judy Townsend, a remarkable lady who had done a wonderful job running the club over 20 years. It was wonderful to see many businesses and the Market join in with displays celebrating the Nantwich Pride event. The Railway Hotel was packed with everyone there having a wonderful time.

Nantwich Museum exhibition "A spectacle of Sport" honoured local sports people. The highlight for me was holding Andrew Smalls Paralympic Gold Medal. We ended July with the Nantwich Show which was blessed with wonderful weather and a great turnout. Everyone agreed that the new location was fabulous and the show's organisers and exhibitors did the town proud.

The Police, supported by the Town Council, organised two free events in August for children during the summer holiday. Both the football competition and the fishing competition were well attended and a great success.

September welcomed the return of the Food Festival with three days of great weather, large crowds and a great variety of stalls and exhibitors, many of whom have already said they will return. A big thank you to the organisers and volunteers who worked hard resulting in its success.

After the joy of the wonderful Jubilee celebrations in June, September brought sadness at the death of HM Queen Elizabeth II. The Proclamation was read, by me, on the Town Square of the accession of King Charles III and a moving Civic Service was held in memory of Queen Elizabeth at St Mary's.

Other events I've attended included two superb plays put on by the Nantwich Players, "Big Big Sky" and "Kiss me Stupid". A wonderful evening of Music from the Cheshire Police Band and the Jedburgh Pipe Band put on by the Royal British Legion.

We are both now looking forward to a busy couple of months in the run up to Christmas.

Nantwich Town Council Receives Award In National Scheme

Nantwich Town Council has received a prestigious award as part of the Local Council Award Scheme. The Council has been accredited as a Quality Gold Council, which is the ultimate achievement in the three-tier Local Council Award Scheme (LCAS) instituted by the National Association of Local Councils (NALC), in collaboration with the UK Government's Department of Levelling Up, Housing and Communities; the Local Government Association and the Society of Local Council Clerks (SLCC).

The Quality Gold Award is evidence based and independently assessed demonstrating that a council is at the forefront of best practice and achieves excellence in governance, community leadership and council development. Quality Gold councils provide leadership for their communities, bringing people together, have excellent business planning processes as well as constantly seeking new innovations and opportunities to improve. They highlight the very best we, as a sector, can achieve for our communities.

Councillor Peter Groves, Mayor of the Council said, "The award and accreditation recognises the dedication and commitment of everyone at Nantwich Town Council in making a difference through what the Council does for and on behalf of the community."

In terms of the future, the Council is now reviewing ways in which it can keep on improving its offer to the local community and welcomes input from local people and partners on this. Nantwich and other local Councils like it, are at the front line of the government's localism agenda and are doing as much as they can to deliver services whilst being efficient and cost-effective. Currently the Council provides a range of services and wants to improve its community engagement through this.

Rural Bus Service To Help Reduce Isolation

Cheshire East Council's 'go-too' scheme covers a wide area south of Nantwich, taking in Bunbury, Wrenbury and Audlem and other villages, where no commercial services are available.

The bus service can be booked by anyone via a mobile phone app or phone call, with a doorstep pick-up service for less-mobile passengers. This allows someone, or a group of people, to request a bus for a specific journey.

The service is not tied to a fixed route, allowing for efficient shared trips without lengthy detours or fixed schedules. The 16-seater 'midi' buses are available between 7am and 9pm, Monday to Saturday, with low-floor access.

Fares for the bus service will be £3 for people aged 16 and over and £2 for under-16s and concessions. For every five journeys taken, users will get the sixth journey free.

Information on how to book the service can be found on www.go-too.co.uk or alternatively, ring 0300 123 5103 between 9am and 5pm, Monday to Friday.

Climate Change Seminar Success

AUTUMN 2022

Last year Nantwich Town Council declared a Climate Emergency and since have been working with a group of community stakeholders to develop the town's first Climate Action Plan. The aim of the Plan will be to bring forward recommendations to reduce the carbon footprint of the Council and the town.

The Council and the working group are keen to hear from residents, businesses and key stakeholders in the town, wanting to know what the concerns and priorities of the community are, and what actions the community think could be taken to reduce the carbon footprint. To gain some of this information the group hosted a FREE Climate Seminar, at the Civic Hall in September to enable residents to have an input and to try to establish what the town's priorities should be. The event featured three key speakers who shared their knowledge and experiences on tackling climate change, along with stalls highlighting how to get involved. The audience were then invited to take part in breakaway sessions and given the opportunity to share ideas for actions to be included within the Climate Change Action Plan.

Over 70 people attended the seminar, contributing during the breakaway sessions and providing valuable ideas on how the town can tackle climate change. Some of the feedback received from those who attended the seminar when asked what they liked about the event included:

"I felt the event was very well organised and the speakers covered different topics which were all very interesting."

"The enthusiasm of the participants and awareness of the need to control the climate."

"An opportunity to make one's views known and hopefully to influence and encourage the council to pursue a variety of environmental issues for the good of the town and its people."

The working group will now review all the ideas received and develop the draft Climate Action Plan before consulting with the community.

If you didn't attend the event but are keen to learn more about the work of the Climate Change Working Group and Nantwich Town Council more information is available at <https://www.nantwichtowncouncil.gov.uk/climate-change/>

Coach Friendly Status

Nantwich has again been awarded Coach Friendly Status by the Confederation of Passenger Transport (CPT).

The status is an industry standard designed to recognise and reward attractions that go the extra mile to provide a warm welcome to groups arriving by coach.

Nantwich Town Council supports the scheme by paying for coach parking at the Football Club and providing a meal voucher for the coach driver for use in several cafés in the town, as well as welcoming visitors into the town and providing tourist information.

The Mayor said "We are delighted to have this accreditation renewed and this is one of a number of ways in which the Town Council is looking to support the town's economy and ensure that it continues to provide a varied shopping experience whilst retaining its role as a traditional market town. Hopefully Coach Friendly Status will bring more visitors to Nantwich and encourage people to return for a longer stay."

Nantwich Civic Hall Becomes a Connected Communities Centre

The Connected Communities Social Franchise was launched with the aim to ensure that community buildings were being used to their full extent and that health and wellbeing services were available close to where people lived.

The agreement between Cheshire East Council and Nantwich Town Council allows for the Civic Hall to be open for use by community groups, and local volunteers.

If you or your organisation are looking for a venue for use for the community please get in touch. For more information and to discuss your requirements call on 01270 619224 or email nantwichtc@nantwichtowncouncil.gov.uk

Dog Fouling

Dog Fouling is not only deeply unpleasant, it is dangerous and illegal!

We know that the majority of dog owners are very responsible and clear up after their pets. However, occasionally we do forget and some don't bother.

Cheshire East Council work hard to keep our streets, bins and green areas clear and fines are issued for littering and not clearing up dog mess.

Report It

If you find a mess this can be reported to Cheshire online at: <https://fixmystreet.cheshireeast.gov.uk/> or by calling 0300 123 5500.

Nantwich Food Bank

- Nantwich Foodbank are excited to launch our 2022 Reverse Advent, a fun and easy way to help your local foodbank and get the younger generation involved. You only need a box and a pen – each day you add something to the box, either from a list or a calendar grid, and mark it off. Even a few items off the list helps
- Once all your donations are in you just bring the box to the foodbank collection point. The amazing team at Nantwich Food Festival have kindly agreed to organise a "Drop & Go Collection" on Saturday 26 November at Brine Leas School between 10am and 1pm.
- Last year this event was a huge success and made it possible to support over 500 vulnerable individuals at Christmas. We hope this year will be just as wonderful.
- If you would like to receive a copy of the poster or have any questions contact us at storemanager@nantwich.foodbank.org.uk or visit the Nantwich Food Bank Facebook page.

The Thursday Club

Every Thursday 10.30am until 12.30pm. St Mary's Parish Hall, Church Walk, Nantwich

A Dementia Friendly social and activity club for those living with dementia, their loved ones, carers and family. The club provides a safe place with a weekly activity programme (available on their Facebook page), along with lots of chat, laughter, shared advice and of course cake and refreshments.

We also have volunteer opportunities.

For further information contact The Thursday Club on 07488 285 861 or 07580 097 468

Email thethursdayclubnantwich@gmail.com or visit their Facebook page.

Nantwich Library

The library had a very successful summer, hundreds of children read 6 books during August and were presented with a medal from the Mayor of Cheshire East, Councillor David Marren.

As it's getting colder and energy prices are rising the library are putting on lots more events so people can use the Library as a warm space.

For more information visit the library, call 01270 375361 or visit their page on Facebook.

Do You Need a Helping Hand Or Would you Like to Volunteer?

Volunteer community group, Nantwich Buddies, was founded in March 2020 in response to the Covid pandemic and continues to provide help to our local communities in and around Nantwich.

We can offer support with befriending calls and visits to those who are lonely or socially isolated, assist with shopping or general tasks which are proving difficult or we can help people find other organisations that are able to provide more specific support. We also run several community groups and a small volunteer transport service for people who need help getting to appointments.

Over the last 2 years, we have completed over 3,500 weekly shops and prescription collections, provided over 2,500 hours supporting the vaccination clinics at the Civic Hall and helped over 260 households.

So if you need any help with the above, please do get in touch.

We're always looking for more volunteers to join us. As well as providing a great service to our local community, volunteering gives a sense of belonging and purpose, helps to find friends, connect with the community and learn new skills. It has also proven to reduce stress and combat depression. So if you'd like to find out more about becoming a buddy please get in touch.

Talk OF THE Town

Nantwich Market

Nantwich Market is the perfect place to be this season.

Boasting over 50 stalls packed with a wide variety of foods, gifts, crafts, accessories and treats.

You'll find everything you need, a friendly welcome and why not pause from the shopping and enjoy refreshments at the cafe?

The Nantwich Beat Team have been busy providing high visibility presence and engaging with the community around the local areas. Before the summer holidays commenced PCSO's went into Primary Schools and delivered talks on Road safety. They are currently engaging with the children about keeping safe on Halloween and Bonfire Night with information around safety and about treating people with respect. To any businesses out there remember think and challenge before selling eggs and flour during the Halloween period.

In August Nantwich Beat Team organised two free events for local children, which were to bring the community together and gave all children the opportunity to try something new in the correct environment. The first was a Football Fun Day, it was a huge success and was attended by 30 extremely keen children. The second event was the yearly Youth Fishing Competition held at Bay Malton Border Fisheries. 36 excitable and enthusiastic children kindly supported by parents, and grandparents attended the event.

At each event the children were supplied with a snack and drinks, and the Mayor popped by to present them all with medals. The events could not have gone ahead without the kind support and sponsorship by Nantwich Town Council, Morrisons, Chatwins, Crown Hotel, Cheshire Constabulary, HF angling, Matrix and Bay Malton Border Fisheries. A huge thank you to all involved.

This year's Nantwich Food Festival was well attended with visitors from far and wide. The team, supported by Cheshire Special Constabulary, were out engaging with the visitors who seemed to have had a fantastic few days with plenty of sunshine and food and drink flowing!

Road safety is still a major priority to our local community, so our Beat Team are regularly out and about using the TRU-CAM speed enforcement camera at various locations that have been identified, we are lucky enough to be supported by several Community Speed Watch volunteers.

If you wish to contact the Nantwich Beat team, our PCSO's regularly hold Beat surgeries in Nantwich Library, Morrisons, Nantwich Police Station and Stapeley Community Centre. All the information and contact details can be found on Cheshire Police website and on Facebook.

Nantwich Food Festival a Great Success!

40,000 happy visitors, 200 happy exhibitors, can mean only one thing: that Nantwich had another successful Food Festival and despite early forecasts, the sun shone throughout.

Over the weekend, the Civic Hall was transformed into a Cookery Theatre, where celebrity chefs, Rosemary Shrager, Nigel Brown and Sean Wilson provided some entertainment along with showing their cooking prowess to the delight of the audience.

Whilst at a second demonstration theatre more chefs showed their culinary skills as TV chef Dean Edwards and an array of local chefs demonstrated to packed audiences, often with standing room only. Friday evening started with fantastic street entertainment for all, accompanied by live music throughout the weekend creating a great atmosphere at the

Bowling Green and Love Lane music stages and on the Church Green

This year several new initiatives were introduced; a quiet hour on Friday morning, a Calm Corner for those who wanted or needed a more gentle environment and in the town centre the traditional marquee was replaced with individual market style stalls.

The Bowling Green and Love Lane marquees attracted a diverse range of exhibitors from near and far, selling everything from artisan breads to vegan produce, deli goodies to luxury drinks and even art and jewellery. Seated food court areas allowed visitors to taste a wide choice of food and drink. The Kids Marquee was very busy with many craft and fun activities, a cup cake decorating competition and each afternoon ended with a small disco.

A special thank you must go to the Festival Sponsors and Nantwich Town and Cheshire East Councils for their support of the event and to the team of volunteers; without whose passion and hard work the Festival would not go ahead.

Dates for Nantwich Food Festival 2023 have already been set for September 1st, 2nd and 3rd.

If you want to get involved contact info@nantwichfoodfestival.co.uk

Nantwich In Bloom

Nantwich was full of colour and floral displays to celebrate the late Queen's Platinum Jubilee this summer along with the Commonwealth Games. Nantwich in Bloom volunteers worked hard to keep the town centre displays and Railway station displays alive and blooming through the long summer drought, so that with the support of Ansa, Nantwich Town Council and voluntary litter picking groups the town was looking at its best for the visit of North West in Bloom judges.

The judges enjoyed their visit and we are hopeful of a good result when we attend the North West in Bloom awards presentation on October 20th.

The floral displays of the town's local businesses, shops and pubs were judged by the Mayor, accompanied by Nantwich in Bloom members. Certificates of excellence for contributing to Nantwich's floral displays have been awarded to all premises with 'Best in category' certificates awarded to:

Best Pub floral displays: The Talbot, The Leopard, The Globe, The Red Cow

Best Sustainable Floral Display: Paintings and Gifts, Julie's Boutique

Best Commercial Premises Floral Display: Timothy Guttridge

Best New Floral Displays: The Black Lion, Libby Bower, Kitty's Repairs and Alterations

Overall Winner and best café and retail premises: The Bookshop.

Certificates have been awarded to all Community homes and community venues' gardens viewed by invited Nantwich in Bloom judges. Some community homes also took part in our recycled containers project using a range of containers including plastic bottles, pots, an abandoned wheelbarrow, a tea set and even a chest of drawers to exhibit colourful planting. Spring flowering bulbs will be given to all participants to extend their displays during late winter and early spring.

Our local primary schools will also be given bulbs to commend their contributions to celebratory flowering displays in red, white and blue annual flowers sown from seed.

Nantwich Community Orchard has provided a good harvest of fruit this year which the community has sampled.

Moving into the autumn we will be clearing out the summer bedding and planting up winter flowering polyanthus, pansies, primulas and violas for winter and spring displays in the town centre and on Nantwich Railway Station.

We will soon be holding an unveiling ceremony for the new sign at Lakeside Community Copse to commemorate all those in the local community affected by the Covid 19 pandemic.

To help us with our wide range of projects new volunteers are always very welcome, if interested please contact pennyrow123@outlook.com

Nantwich Museum

Nantwich Museum, your local and free Museum, welcomes a 'Reincarnated Rubbish' exhibition, Walking Tours, monthly Coffee Mornings and the Friendship group.

New Exhibition

"Reincarnated Rubbish - Endangered and Extinct", a new free exhibition by Val Hunt, has opened in the Millennium Gallery at Nantwich Museum to run until Saturday 10 December.

The exhibition showcases everyday items that we throw away and presents them in a new and fascinating dimension, conveying a subtle message about recycling and preservation, while raising awareness of why the creatures featured are endangered or extinct. It is an opportunity to find out why species are disappearing from the planet at an alarming rate, inspiring and informing, whilst encouraging everyone to experience the fun of creative recycling. Many items are for sale.

Entry to both the Museum and exhibition is free.

Walking Tours

The museum has a programme of guided walks which all start at 11.00am.

Guided walks include:- Welsh Row, Nantwich Town, and Nantwich East.

Costs for all walks are just £5 each (£4 for Museum Members). Pre-booking is strongly advised either in person at the Museum Shop, or by phoning the Museum.

Friday Coffee Mornings

Final Friday of each month at the Museum - 10.30am - 12.30pm. Cake donations welcome.

Museum's Friendship Group

Open to anyone affected by dementia. Meet twice a month on Mondays (1st and 3rd Mondays) between 2pm and 4pm with refreshments provided.

Christmas

IN THE **Town**

AUTUMN 2022

On Sunday 6th November at 5.30pm residents are invited to gather outside St Mary's Parish Rooms where a Tree of Light will be illuminated with a short service of prayer, hymns and poetry.

Revd. Dr Mark Hart will lead the service with an address from The Mayor of Nantwich Councillor Peter Groves, and the choir of St Mary's will be joining the proceedings.

Christmas is a time for families and friends, for celebrating and for giving; it also offers a chance to remember the loss of loved ones and to think about those less fortunate than ourselves.

On the lead up to the event, people are invited to make a donation of £5 to dedicate a bauble to a loved one or a special cause. In addition, names can be listed on Nantwich Town Council webpage of remembrance.

Donations can be made at Nantwich Civic Hall where you will be given the opportunity to fill a bauble with a name, message or items of your choice, which will then be hung on the tree of light until after the 12th night of Christmas, when the lights will be turned off and baubles removed.

Nantwich Town Council are leading the way by dedicating the first bauble to the late John Parkin who was well known in the town and had dedicated many years to volunteering at the church and for Nantwich Show.

The full cost of the tree is covered by Nantwich Town Council and all donations will be divided between the Mayor's charities Nantwich First Responders, Insights Bereavement Service, The Thursday Dementia Club, Nantwich Food Bank and St Mary's Church.

St Mary's Church

We are open to visitors Monday – Saturday, 9.30am – 4pm, and for services on Sundays. All are welcome to attend services or to look around, sit quietly, or pray and light a candle.

During the period of mourning for Queen Elizabeth II we held special services of Thanksgiving and welcomed thousands of visitors who came to sign the book of condolence and light candles.

We welcome all enquiries about baptisms and weddings.

Among the many activities available are our Friday "Place of Welcome" in the Parish Hall, 10am-1pm each week, a free, safe, welcoming space for anyone to drop in to share food and meet together in friendly company.

We also have many groups for children of all ages, including training for young singers on Tuesday afternoons.

To find out more and to keep in touch with St Mary's, visit our website stmarysnantwich.org.uk or call in to church. We produce a weekly news sheet and a monthly magazine, both available in print and online.

Here are some of the special services and events in the coming months:

- * Sunday 6th November, 6pm, All Souls' Service in memory of loved ones
- * Sunday 13th November, 10.55am, Remembrance Service on the Square
- * Sunday 27th November (Advent Sunday), 6pm, Advent Carol Service
- * BBC Radio 4 - Any Questions? will be broadcast live from St. Mary's on Friday 9th December 2022. Audience ticket details will be published in due course.

Details of all our Christmas services will be widely advertised soon.
