The proposals from Cheshire East also make recommendations to increase the elected members from 12 to 15 which is supported by the Town Council. This proposal by Cheshire East would result in the North & West ward having 10 elected members and the South Ward having 5 elected members. The Town Council discussed the idea of requesting a third ward to be introduced to allow for 5 members in each of the three wards. This would make it easier for the electorate particularly when voting during elections.
