Local Council Award Scheme application form

This document is a resource for Local Councils taking part in the Local Council Award Scheme

My council has the relevant criteria in place and has already registered with NALC – you can complete this document and submit it to your local accreditation panel. This will help them find the necessary information and make sure they don't miss any details by mistake.

Tip – proving a web link to the exact page or document needed is important as it will reduce the risk of the panel missing any necessary information. So instead of <http://www.nalc.gov.uk> use <http://www.nalc.gov.uk/our-work/improvement-and-development/local-council-award-scheme>

Tip – some information and documents are not required to be published online. To keep things simple email these to the panel coordinator at the same time as providing this document. That way they have all the information in one place.

Tip – Don't forget to read the full criteria in the Local Council Award Scheme guide. This form just has the summary, but there is further essential information in the guide which can be downloaded from <http://www.nalc.gov.uk/our-work/improvement-and-development/local-council-award-scheme>

What criteria do I need to meet for each award level?

If you are applying for Foundation – just the Foundation criteria

If you are applying for Quality – both Foundation and Quality criteria

If you are applying for Quality Gold – Foundation, Quality and Quality Gold criteria

If you are unsure what criteria you are required to submit please check with your County Association.
